SATURDAY, July 20—P.M.

The market for Stocks was not very active to-day but the Bonds were firm generally. Haslem, Farmers' Loan, Reading, Erie Bonds, &c. inc. proved. At the Second Board the market was buoyant and Erie 2d Mortgage Bonds went to 102½. In Exchanges there is little or nothing doing. The market is flat at 10½ to 11 for Sterling. Francos are scarce and steady at 5 2½.

There is nothing of importance doing in Freight. The nominal rates to Liverpool at 3s Sterling for Cotton, 3d for Corn, 9d for Flour. A ship was taken to load Deals from Quebec to Liverpool at £4, and three or four from St John to England at £3 18s & £3. To London, Oil and Wine, 15d P. per cwt. per mile. From Liverpool to New York, Bark is difficult to sell, and prices nominally lie at 12s per cwt for retail parcels of first quality Philadelphia.

BON—Common Steel, 25d per cwt. per ton. Steel Plate, 3s 6d per cwt. per ton. Whale Oil, £30 to £40 per cwt.

BRASS—Bull to 57d 5d per cwt. for best North American.

The last transactions in Turpentine were at 10s 6d to 9s 6d cwt. About 100 barrels common Resin have been sold this week at 2d 3d cwt, and 50 barrels Wilmington Tar at 8s 10d per barrel.

Yours respectfully,
BROWN, SHIPLEY & CO.

Richardson, Brothers & Co. Circular.

Correspondence of The Tribune.

For America. LIVERPOOL, Friday, July 5, 1851.

The continued gloom goes on since the Crop of Cotton in America has produced a further advance of 4d per lb. to 10s 6d. The market was excepted to remain the same as in the last few days, except in the inferior qualities.

TEARS.—There is a good demand for Texan, and the market steadily rises. Sales 500 bushels Young H. S. at 27s 6d per cwt. 500 bushels Hayson Salt at 25s 6d. Gunpowder and gunpowder are scarce.

HEMP—A sale of 1000 bales Manila Hemp was made on private terms. Dow Rotondi Amer can do dull at 15s 10d.
